**DEFENDANT CLINT CARR'S UNOPPOSED
MOTION FOR SECOND CONTINUANCE,
AND REQUEST TO ENTER REVISED SCHEDULING ORDER**

Defendant Clint Carr moves the Court to grant a second continuance of all settings, and to enter a revised scheduling order.

The Government has provided initial discovery in this case, which is complex and voluminous. Defendant is asking the Court to continue all settings in this case, because additional time is needed to receive and to review discovery thoroughly, to prepare and file any necessary motions, including any motions to suppress and/or dispositive motions, to conduct Defendant's own ongoing investigation, and to prepare for trial. These motions and the related request are not made for delay but in the interest of justice.

WHEREFORE, Defendant respectfully requests that the Court issue a new scheduling order extending all deadlines and court settings by 120 days. The Defendant is prepared to waive all Speedy Trial requisites impacted by the Court's ruling on this motion and understands all Defendants are similarly willing to do so.

Respectfully submitted,

HUGHES ARRELL KINCHEN, LLP
